- Certified IELTS Trainer- London teachers Training College London, UK
- Teacher training consultant
- Professional Development Specialist

Objectives:

- Dealing with bored and unmotivated students
- Teacher behavior and student reactions
- Identifying the problems of students
- Sorting out solutions to these problems
- Types of motivation to motivate students

One day Teachers Training workshop on “Motivating students to Learn” was organized by Pakistan International School Jeddah. First session was started with the recitation of Holy Quran and welcome address by the Principal Ateeque ur Rehman. Participants were divided into nine groups, subject wise. The groups identified and discussed themselves the issues of students’ motivation. The mentor presented the subject matter by involving the trainees in discussion. Specific tasks were assigned to the teachers to put them in real situation such as case study and some videos etc. participants took keen interest and appreciated interactive learning.

Conclusion

Trainer has been evaluated by asking various questions to the participants. Overall they are satisfied and learnt new skills which they will apply in their class rooms.
